

# You Wont Believe Who Hates Gays!

Many in the mainstream media would have you believing it is Christians, right wingers, and Whites who hate homosexuals the most. While this is true occasionally, none of the overall opinions of these groups compare to the venom spouted by the exact opposite ones!

## In non-Christian religions:

**In parts of the Old testament, or the Torah, the holy book which the Jews still go by today, this is said about homosexuality:**

The Book of Leviticus refers to male homosexual sexual practices twice (JPS translation):

וְאִתּ-זָכָר, לֹא תִשְׁכַּב מִשְׁכַּבִּי אִשָּׁה — תוֹעֵבָה הִוא.  
"Thou shalt not lie with mankind, as with woman-kind; it is detestable." [3]

וְאִישׁ אִשָּׁר יִשְׁכַּב אֶת-זָכָר מִשְׁכַּבִּי אִשָּׁה — תוֹעֵבָה עָשׂוּ.  
שְׁנֵיהֶם. מוֹת יוּמָתוּ; דָּמֵיהֶם בָּם

"And if a man lie with mankind, as with woman-kind, both of them have committed a detestable act: They shall surely be put to death; their blood shall be upon them." [4]

**In The Koran, the holy book of Islam, this is said about homosexuality:**

"And (We sent) Lot when he said to his people: What! do you commit an indecency which any one in the world has not done before you? Most surely you come to males in lust besides females; nay you are an extravagant people. And the answer of his people was no other than that they said: Turn them out of your town, surely they are a people who seek to purify (themselves). So We delivered him and his followers, except his wife;

she was of those who remained behind. And We rained upon them a rain; consider then what was the end of the guilty."[7:80–84 (Translated by Shakir)]

## **In non-white countries/groups:**

**Did you know homosexuality in the Middle East and Africa is:**

Punishable by death in Iran, Saudi Arabia, Qatar, UAE, Somalia, Somaliland, Mauritania and northern Nigeria,

In Yemen or Palestine (Gaza Strip) the punishment might differ between death and imprisonment depending on the act committed. In Uganda, Tanzania, and Sierra Leone, offenders can receive life imprisonment for homosexual acts.

## **In the US black community:**

It has been asserted that the African American community is largely homophobic.[31][32] Reasons for this include the image young, black males are expected to convey in the public sphere;[33] that homosexuality is seen as antithetical to being black in the African American community;[34][35][36][37] and the association of the African American community with the church in the United States.[38][39][40][41][42][43]

## **What did some famous homosexuals think about the Jews:**

**The Roman Emperor Hadrian, who had a male lover Antinous, in the despair**

**he felt after his lovers tragic death falling into the Nile river, took these actions to suppress a unprovoked Jewish revolt which killed many Christians and pagans:**

Given the fragmentary nature of the existing evidence, it is impossible to ascertain an exact date for the beginning of the uprising, but it is probable that it began in-between summer and fall 132.[150]

The Romans were overwhelmed by the organised ferocity of the uprising.[151] Hadrian called his general Sextus Julius Severus from Britain, and brought troops in from as far as the Danube. Roman losses were heavy; an entire

legion or its numeric equivalent of around 4,000.[152] Hadrian's report on the war to the Roman Senate omitted the customary salutation, "If you and your children are in health, it is well; I and the legions are in health." [153] The rebellion was quashed by 135. According to Cassius Dio, Roman war operations in Judea left some 580,000 Jews dead, and 50 fortified towns and 985 villages razed.[154] An unknown proportion of the population was enslaved. Beitar, a fortified city 10 kilometres (6.2 mi) southwest of Jerusalem, fell after a three and a half year siege. The extent of punitive measures against the Jewish population remains a matter of debate.[155]

**The British Victorian era author, Oscar Wilde, author of The Picture of Dorian Gray and other works, who was put in prison on sodomy charges had this to say in his hallmark novel:**

"About half past eight I passed by an absurd little theater, with great flaring gas-jets and gaudy play-bills. A hideous Jew, in the most amazing waistcoat I ever beheld in my life, was standing at the entrance smoking a vile cigar. He had greasy ringlets, and an enormous diamond glazed in the center of a soiled shirt. 'Have a box, my Lord?' he said, when he saw me, and he took off his hat with an air of gorgeous servility. There was something about him, Harry, that amused me. He was such a monster. You will laugh at me, I know, but I really went in and paid a whole guinea for the stage-box [...]

[...] But Juliet! Harry, imagine a girl, hardly seventeen years of age, with a little flower-like face, a small Greek head with plaited coils of dark brown hair... She

was the loveliest thing I had ever seen in my life.[...]

[...]On the first night I was at the theater, the horrid old Jew came round to the box after the performance was over, and offered to take me behind the scenes and introduce me to her. I was furious with him..."

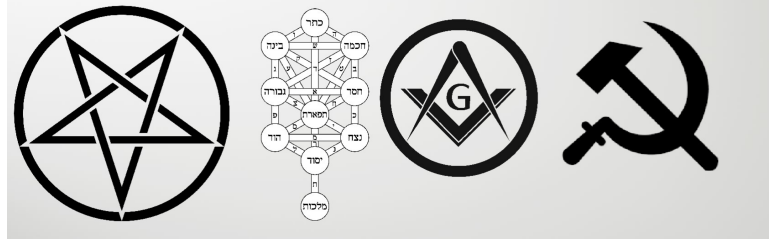

Why import religions and races who hate us for who we are? Why under the flag of "liberalism" should we ally with these groups that in power, would have us dead? Why would we want to further decrease the amount of angelic, blonde/brunette haired,

blue/green eyed, pale skinned boys by replacing, or mongrelizing them?
